

Access to WLAN for Guests

Required: Your own **mobile phone** to receive SMS and a **voucher code** provided to you by an employee of the University of Bern from <https://docs.id.unibe.ch/vouchers>

Connect your wireless device (laptop, tablet, smart phone) to “public-unibe”

- Start a **web browser** (IE, Safari, Chrome, Firefox...). As soon as you try to open a webpage outside our university, the browser will show the log in website of the University of Bern
- Choose “**Request a temporary access code by SMS**”
- Type in your **mobile phone number** and the **Voucher Code** and accept “**Directive of the University of Bern**”
- Press “**Request access code**” and you will receive your personal access code in a text message (SMS)
- Type the access code in the box of the appearing webpage and “**Submit registration**”.
- Your browser is now open to access the www. This code is valid for 7 days.
